## Basis of approval

1. The requirements of PRS Publication No. 51/P – Procedural Requirements for Service Suppliers, Edition 01.2025.
2. Inspection of the service station, carried out on 2025-01-10: PRS Report No. PIR/TeM/89601/25.

## General conditions and remarks

1. In case of any alteration to the firm activity or to the list of surveyors recognized by PRS for taking part in inspections for issuing of Radio Safety Certificate, the firm is obliged to inform PRS about it.
2. New technical documentation, mentioned in item 4, is to be designed in accordance with PRS Rules and approved by PRS Head Office in each case.
3. The following surveyors have been recognized by PRS for taking part in inspections for issuing of Radio Safety Certificate:

ARTEMIOS VALSAMAKIS  
 Vasileios Kaimenakis  
 Antonios Politis  
 Anargyros Pouli  
 Dimitrios Baritakis  
 Dimitrios Katsafanas

4. Valid VDR/SVDR manufacturer approval certificate as listed in the ANNEX to this certificate.
5. Service technician must present photo identification, evidence of training and qualification from manufacturer as applicable, at the time of service.
6. PRS is to be kept updated with changes to the management of the Company, its employees, equipment and models listed in the ANNEX to this certificate and any changes made.

---

**Polish Register of Shipping** means Polski Rejestr Statków S.A., seated in Gdańsk, al. gen. Józefa Hallera 126, 80-416 Gdańsk, Poland, registered in the Register of Entrepreneurs of the National Court Register, under entry number 0000019880. Polish Register of Shipping, its affiliates and subsidiaries, their respective officers, employees or agents are, individually and collectively, referred to as Polish Register of Shipping or as PRS for short.

In carrying out survey activities, PRS makes efforts to ensure that they are conducted with conscientiousness and the principles of good practice, with due regard paid to the state-of-the-art technology. However, neither PRS nor its Surveyors shall bear any civil liability for damage, loss or expense which may arise in consequence or as the outcome of conducting these activities, or the result of information or advice given to the customer by PRS, irrespective of whether or not such were the result of neglect, error or lack of proper information. Nevertheless, should the customer prove that such damage, loss or expense was due to negligence on the part of the Society or its Surveyors, PRS will pay compensation to the customer for his loss up to but not exceeding the amount due for services provided, forming the basis of the customer's claim. In no cases will PRS be responsible for indirect losses (loss of prospective profits, loss of contract, inability to undertake activities) sustained by the customer and associated with the executing of a commission by PRS.

**ANNEX**  
**to the Approval Certificate**  
**No. TC/435/881070/25 dated 2025-02-27**
